LAN-HI

1956

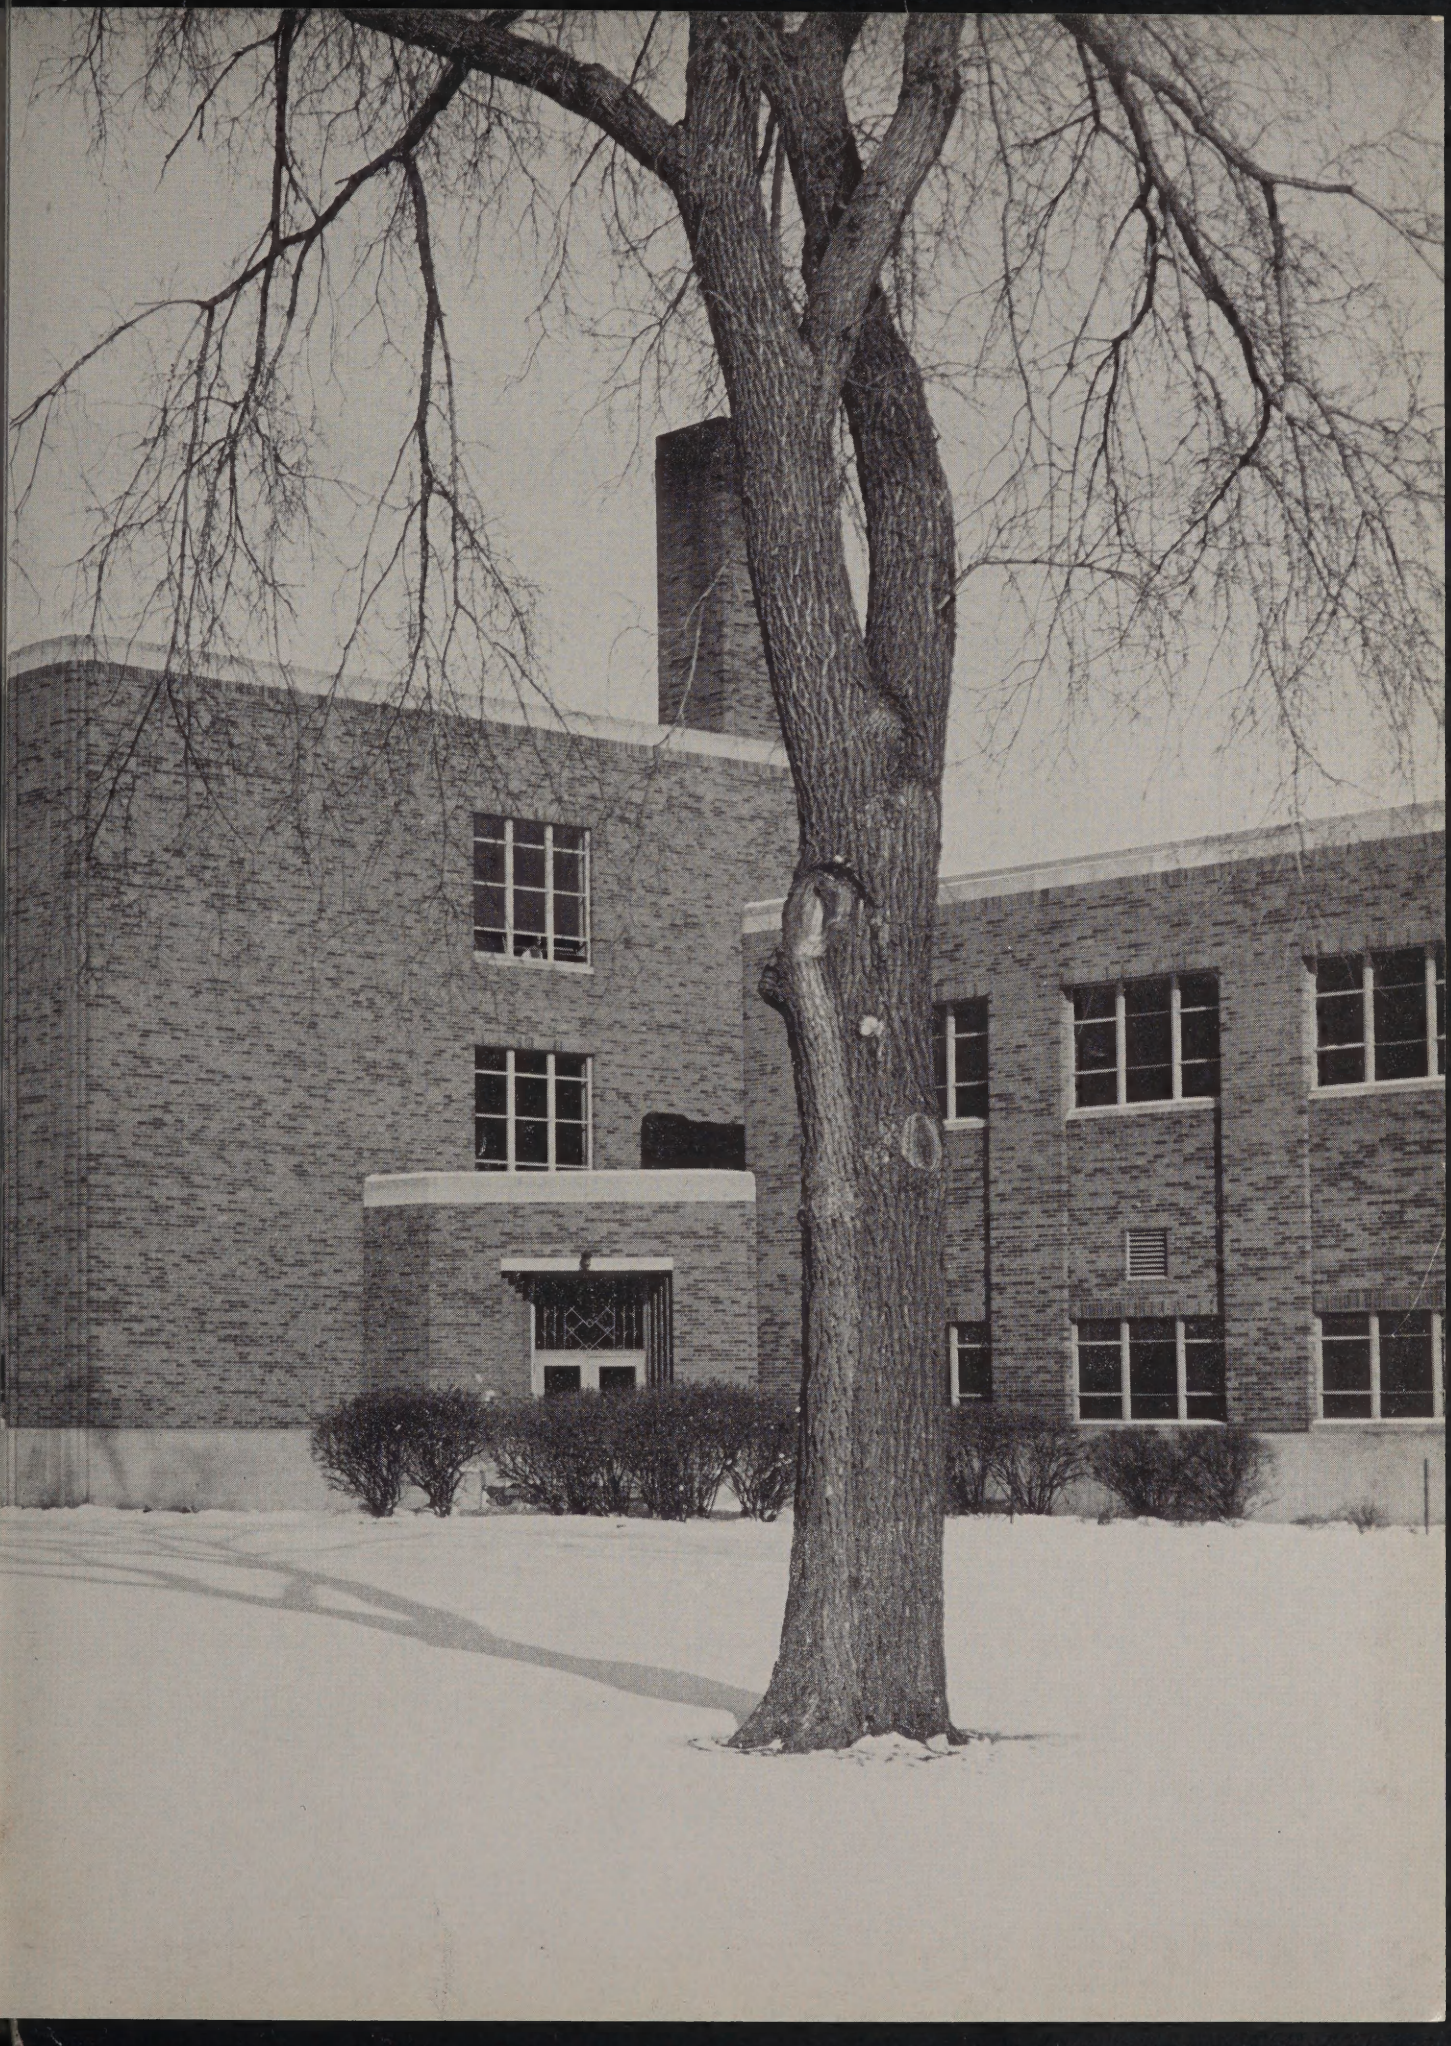

presented by the senior class

LANPHIER HIGH SCHOOL

Springfield, Illinois

To you, Miss Chatburn,

for the lifetime of service, unselfishly given
in example unequalled to those who would teach;
for the understanding and patience that has molded young minds
with advice and encouragement so warmly bestowed;
for the myriad things done, not forgotten;
for the gift of your friendship, surpassing these all,

WE DEDICATE WITH DEEPEST THANKS
THIS 1956 LAN-HI.

Obtaining her Bachelor of Arts degree from the University of Nebraska and her Master of Arts degree from Columbia University, Miss Frances Chatburn began her teaching career as a music instructor, entering the Springfield Public Schools as Supervisor of Music Education. After serving commendably in this position, Miss Chatburn joined the Lanphier faculty as a teacher of mathematics; and it is in this latter role that she is known at Lanphier and in which she has done so much for students and school. Her eagerness to help and explain, her desire for the success of all her students, and her clear, intelligent teaching coupled with a unique sense of humor have endeared her to all her associates at Lanphier.

In consideration of Miss Chatburn's double role as musician and mathematician, the Lan-Hi staff designed the cover and chose as the theme of the book, "Math-Notes."

ADMINISTRATION

Mr. Stickney carefully performs one of the duties so important to the school.

PRINCIPAL

A familiar figure at Lanphier is George E. Stickney, who, as principal of the school since its beginning, has built its philosophy around the needs and interests of the students. His B. Ed. from Western Illinois State College and his M. A. from State University of Iowa well qualify him for the vast responsibilities of administration. An example of Mr. Stickney's outstanding ability is given by the efficient manner in which class scheduling is handled. Few mix-ups occur, and those which do appear are eliminated with commendable ease and speed. His strength of character is illustrated by the tremendous relief given to students and faculty who go to him for help. No problem is too small or too involved for his consideration and counsel. This impressive figure has a permanent place in the heart of Lanphier.

Mr. Petefish ardently attacks the problems of the school from his desk.

ASSISTANT PRINCIPAL

Since coming to Lanphier, Mr. Charles W. Petefish has assumed a major role in both administration and activities. His B. A. from Illinois College and M. A. from the University of Illinois well qualify him for his duties as assistant principal. The efficient manner in which he deals with matters of discipline and with other problems of the office exemplfies the important services he renders to the school. As advisor of the Key Club, his attitude toward the various projects encourages the members to strive for the best results. His appearances at athletic functions always do much to increase the enthusiasm and spirit of the student body. His pleasant personality and quiet sense of humor have won for him the respect and admiration of all with whom he has come in contact.

MISS WALKER

Dr. Walker, our dean of girls, proves willing and able at all times to lend personal guidance to those seeking it. In her capacity as dean she directs the social activities, prepares the school calendar, and offers assistance to any person interested in going to college, finding a job, or seeking guidance in personal affairs. Miss Walker, in addition to her duties as counselor, supervises the conducting and issuing of all psychological and standardized examinations and advises the Radio Guild. Her many abilities are a credit to the school.

DEANS

Because counseling requires a great deal of patience and a broad knowledge and deep understanding of young people, Lanphier students are indeed fortunate to have as advisors two such capable people as Miss Walker and Mr. Brooks. Each day both receive students who need help in making plans for college, choosing and securing a job, making home adjustments, or solving personal problems. Both counselors can be depended upon to listen attentively and with understanding and to direct the proper course of action to be taken. Many students have found their interviews with the counselors to be beneficial—further evidence of how very vital their services are to the school.

MR. BROOKS

Mr. Brooks, our dean of boys, is always willing to lend his able assistance to the innumerable boys who come to his office each day. In his capacity as dean he proves an indespensible consultant and friend who issues admits, arranges schedules, secures jobs for ambitious boys, and counsels those seeking advice. In addition to his duties as counselor, he is responsible for the supervision of credits for graduation, the advisorship of student council, and the direction of the yearbook staff. His versatility makes him invaluable to our school.

OFFICE STAFF

Because the office is the nucleus of the school, the efficient and courteous service of our office staff plays an invaluable part in executing the program here at Lanphier. By the capable performance of their duties, Mrs. Ashley, Miss McCullough. and Mr. Patton, lighten the loads of Mr. Stickney, Mr. Petefish, the deans, and the teachers. With a friendly smile and perennial spirit of cooperation they go about the indespensible service of keeping the office records accurate, confidential, and up-to-date. The important duties and the menial alike are done speedily, accurately, and cheerfully by our fine office crew. They accomplish such things as mimeographing materials for teachers, recording grades, compiling attendance and scholarship records, distributing supplies to the departments, and managing the school treasury. Lanphier owes much to the office staff for their untiring and invaluable service to the school.

CAFETERIA STAFF

Because our skilled, efficient cafeteria staff knows that a hot meal is one of the requisites of a healthy, productive mind, Lanpher students enjoy hot, nouri hing meals each noon. For the small sum of 35 cents a student may purchase a hot plate lunch and milk, and choose from a variety of delicious desserts. Teachers also have the opportunity to test the culinary skill of the staff on all school days, and many take advantage of this service. In addition to the cafeteria plate lunch, a sandwich line gives students another opportunity for a well-balanced meal. In this sandwich line, sandwiches, potato chips, a salad or dessert, and milk may be obtained. In addition to the wholesome, appetizing meals served, the staff is always on hand with a ready smile and a pleasant word. Their service is valuable to the welfare and satisfaction of both students and faculty.

MAINTENANCE STAFF

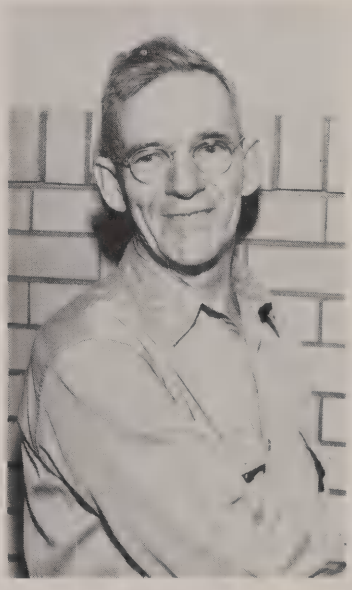

MRS. ALICE REFINE

HERMAN MESTER

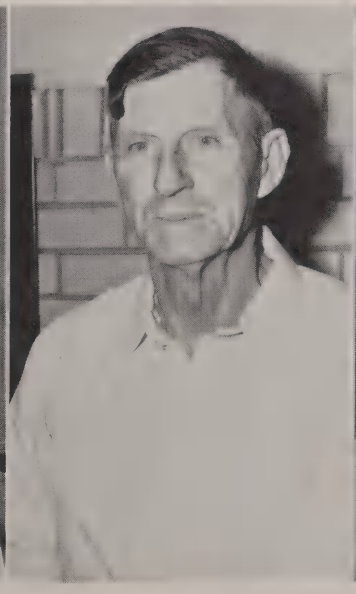

Lanphier can thank its fine maintenance staff for the spotless halls, sanitary washrooms, well kept floors, and neatly arranged classrooms which are so typical of our school. Because of the work of our custodians behind the scenes, Lanphier is always pleased to welcome visitors to the school and glad also to accept their judgment on the enviable appearance of our building. Besides keeping the school in perfect repair and maintaining a healthful atmosphere in which to work and study, our janitorial staff always proves willing to give their help wherever it is needed. Lanphier owes a great debt of thanks to these too often forgotten but very important parts in the machinery of the school for a job well done and for the friendly, cheerful attitude with which they do their work.

NURSE

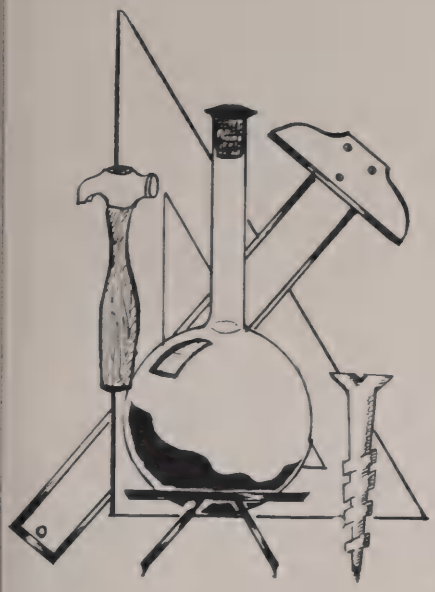

This year, as in the past, Mrs. Veta Coomer, the school nurse, has proved herself an important person here at Lanphier. On alternate days of the week she visits the school and gladly sees anyone, student or faculty member, who is in need of her assistance. She is prepared to cope with broken bones, headaches, sprains, and burns, and has been given the opportunity to deal with just such emergencies. She also supervises the yearly tuberculosis tests and advises the Future Nurses' Club. The students and faculty of Lanphier are indeed grateful to Mrs. Coomer for her many services to the school.

SOCIAL SCIENCE

Our social science department examines and explains past civilizations so that the student may understand his own. World history, U. S. history, economics, psychology, commercial law, and American government not only accomplish this purpose, but also make the student realize the prized heritage that is his as an American.

SCIENCE

To guide the students who are interested in science as a vocation and to acquaint all students with the scientific phenomena occurring around them, Lanphier offers four courses. As a freshman, the student enters a brief association with the wide range of subjects included in general science. As a sophomore, he is introduced to a more detached course, biology, the study of plants and animals. The junior and senior years are devoted to more advanced and more complicated subjects. In chemistry, the student studies the composition of and chemical changes in matter; in physics he undertakes an extensive study of energy and the physical nature of matter.

COMMERCIAL

The commercial department offers outstanding opportunities to students preparing for a commercial career. Under the excellent supervision of our fine commercial instructors, students learn the correct principles of bookkeeping, shorthand, typing, and the various phases of distributive education. By practicing these fundamentals in the classroom, they are ready to step from their training into the business field with the ability and confidence necessary to be successful in their chosen vocation. They have gained not only a thorough understanding of the methods of filing and recording but also exceptional personality development.

MATHEMATICS

The amount of mathematics a student receives at Lanphier depends upon the individual's need and ambition. Those who intend to enter college following graduation, especially those planning a technical career, find it essential that they elect all the advanced courses in mathematics: algebra, plane geometry, solid geometry, advanced algebra, trigonometry, and college algebra. The student whose plans do not include a college education is offered a two-semester course in general mathematics. This course stresses valuable fundamentals.

PHYSICAL EDUCATION

Lanphier's physical education department is designed to build physical fitness, good health habits, and sportsmanship in the students. These objectives are accomplished through regular calisthenics, group activities, and individual exercise. Teamwork and sportsmanship are developed in soccer, football, basketball, softball, and volleyball games while many students work individually on track, and weight-lifting. The self-confidence which results from good physical posture eventually pervades all the phases of the student's life.

HOME ECONOMICS

The home economics department offers a variety of courses to train girls to become good homemakers and to help them in daily living. Freshmen in homemaking class acquire basic, firsthand knowledge in meal preparation and food selection. They learn, also, to make garments by following rudimentary patterns. Clothing class, offered to sophomores and juniors, directs the students in the designing, the alteration, the purchase, and the care of clothes. Foods class, another sophomore-junior course, accents the planning of inexpensive meals with an eye always toward taste. Home and family life, a senior course, analyzes boy-girl relations and delves into the creation of a pleasant home for the family.

INDUSTRIAL ARTS

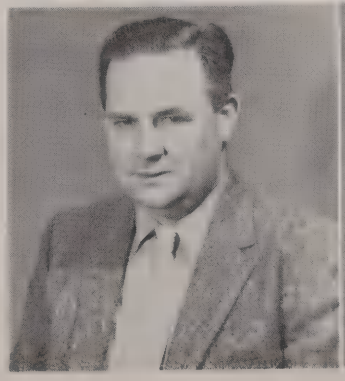

The industrial arts department offers a wide variety of subjects to the student who enjoys working with his hands. It includes such courses as general shop, woodwork, electricity, sheet-metal work, printing, blueprint reading, and mechanical drawing, each of which cultivates in the student habits of neatness, accuracy, and industry.

These courses of creative activity teach the student the proper techniques in using various hand tools, bench appliances, and wood and metalworking machines. Concentrated efforts enable him to acquire skills and accuracy in the use of drafting equipment.

Industrial arts exhibits show that many of the students develop polished, professional talents while performing these daily routines.

FOREIGN LANGUAGE

Students at Lanphier may enjoy the experience of learning new languages and meeting new people in the popular courses of the foreign language department.

Freshmen and sophomores may pursue a course of classical Latin, the language from which so many of our English words are derived. They study not only the language but also the living habits of the Romans. Upperclassmen may undertake a similar study either of French or Spanish. Thus the student has ample opportunity to become acquainted with the customs of the French, the Spanish, and the Romans.

The Roman Banquet and the International Dinner, at which students dressed in appropriate costumes sample foods of various countries, augment the interest of the students in the customs of these people.

VOCAL MUSIC

Realizing the importance of music in everyone's life, the administration at Lanphier has outlined an enviable curriculum in the vocal music department. Every student entering school is required to take at least one year of music. In freshman chorus class the student learns not only the mechanics but also the appreciation of music.

Following the first year, the student may go in to senior choir where he prepares himself for advancement into the A Cappella Choir. Some students may enter A Cappella without this intermediate step.

To be admitted into Lanphier's select musical groups—the A Cappella Choir and ensembles—a student must possess an earnest desire to sing, integrity of character, and willingness to cooperate with instructors and fellow students.

ART

MAX BRIGGS
Eastern Illinois State College, B. S., 10 boys H. R.

The art courses furnish, primarily, means of self expression. The students direct their efforts toward learning the fundamentals of design, color, harmony, and the latest techniques in modern art. Mr. Briggs has introduced the newest methods to make drawing, painting, and craft work interesting and rewarding to the students.

In addition to furnishing a foundation for further art work, the art classes also provide an opportunity to do some interesting craft projects. Beginning students explore color and design, make mono-prints, fashion masks, model clay, and design mobiles. Portraiture, landscape, still life, and illustration are done in various mediums. Plaster carving, block printing, stenciling, and many other projects furnish additional interesting handwork.

Advanced students, who work on individual projects such as ceramics, leather, and murals, are given a course in art appreciation which gives them an understanding of the great masters and encourages them to see exhibits of jewelry, ceramics, and modern art.

. . . and please observe the poco a poco dim. et rit.

INSTRUMENTAL MUSIC

In the instrumental music department the musically-inclined student finds adequate opportunities and facilities to develop an interest in and an appreciation of music. Many students who have never played an instrument before coming to Lanphier learn to do so under the guidance and instruction of Mr. Sach. Students whose abilities do not qualify them for a seat in the band may acquire experience in the cub band; and, as their capabilities increase, they are promoted accordingly.

The highly rated Lanphier band is a product of this excellent department. Under the direction of Mr. Sach the band participates in nearly all school activities and civic parades. Annual concerts round out a full schedule. The band is especially noted for its versatility—it entertains the audience with marches and then holds them spellbound with difficult classical numbers.

IN MEMORY OF

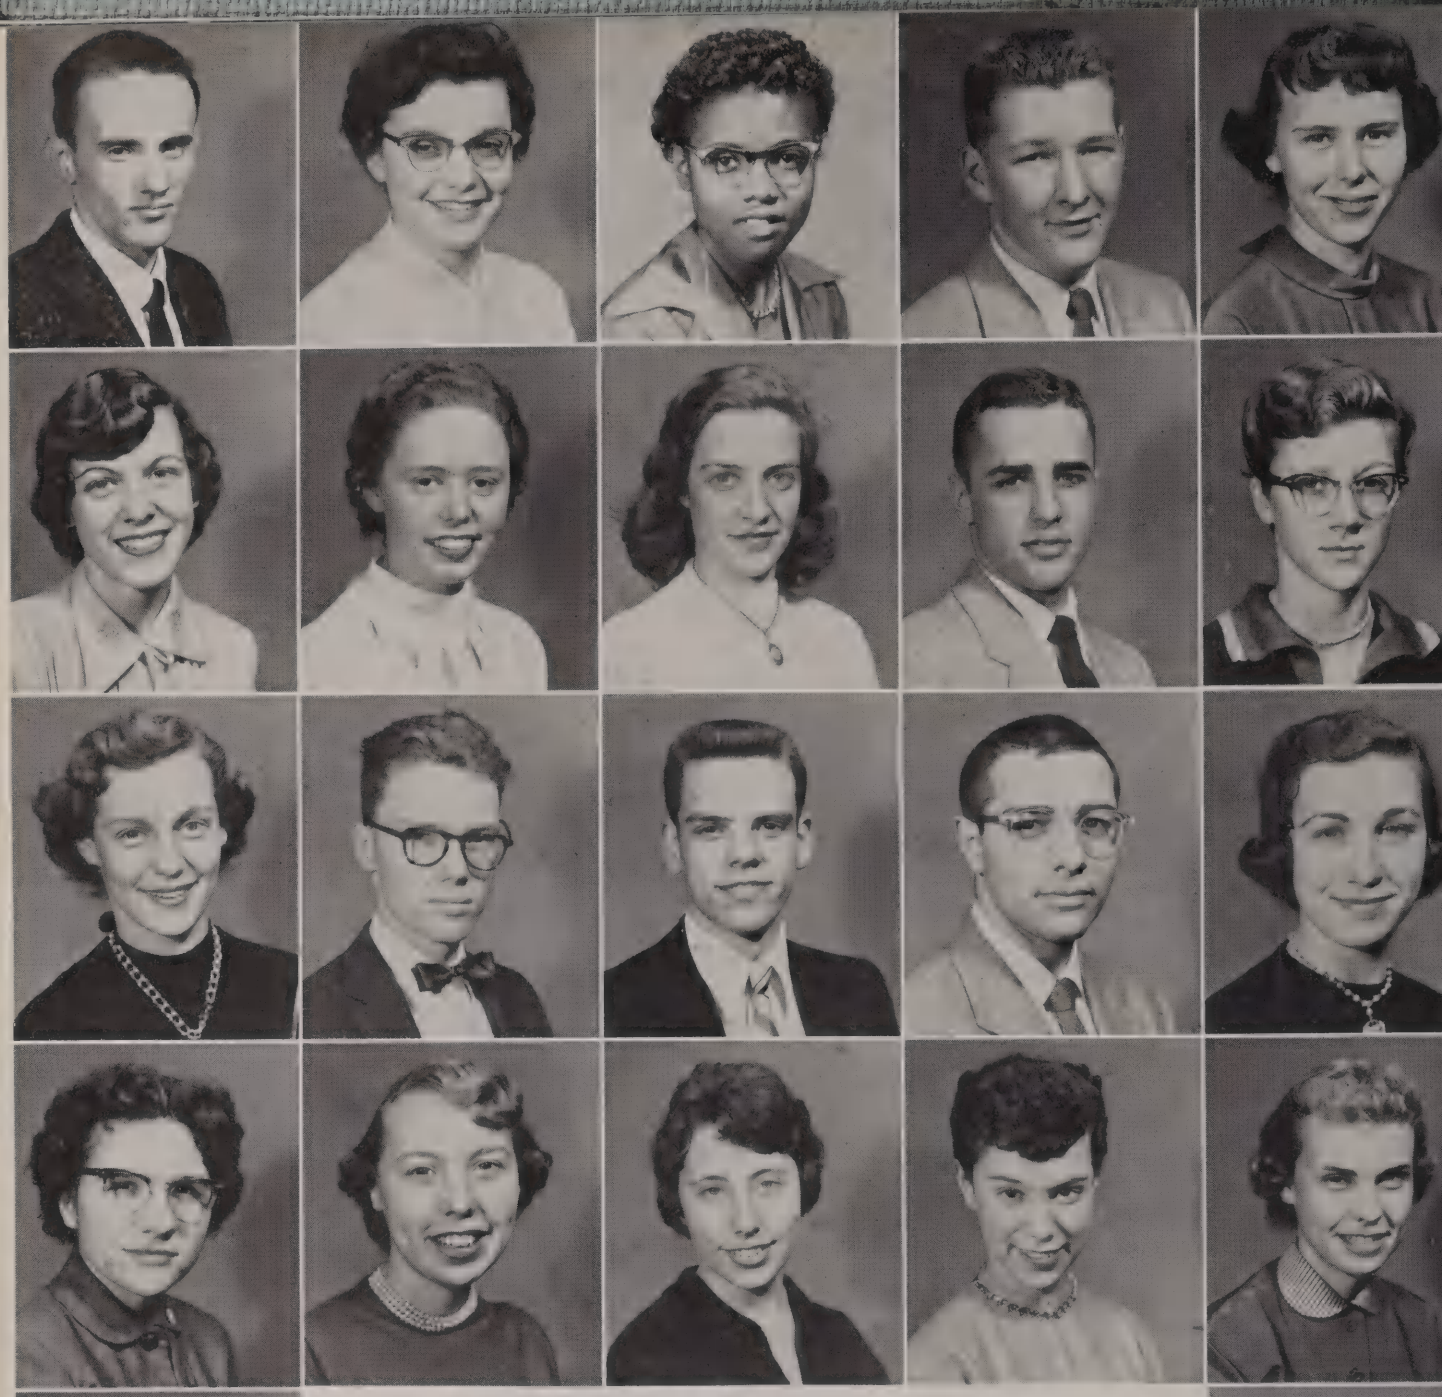

Miss Lois Hopwood

Miss Lois Hopwood, homemaking instructor at Lanphier High School, passed away last December after forty years of teaching service. Her life was one of devotion to family, to church, to friends, and to school. Rarely has a school had such a tireless worker or truer friend. Whenever some task arose, the clock went unheeded as she put the intersts of the school and of her friends before her own. Her passing is a distinct loss to Lanphier; but she will be remembered by all as a Christian, educator, teacher, and friend.

One of the most important student activities of the school is the Lanphier Student Council, a member of both state and national organizations of student councils. Each homeroom is allowed one regular representative in the council. The group meets once a week to act upon problems submitted by these representatives and contributes greatly to the general welfare of the school. Often the meetings last long after regular hours when matters of particular importance arise.

Advised by Mr. Brooks, Dean of Boys, the council secures assembly programs which will be of interest to the student body and undertakes many other worthwhile projects. Included among these annual projects are the purchasing and decorating of a Christmas tree for the main lobby, the printing of the student directory and Lanphier guide books, and the sponsoring of a bonfire pep rally. The members also cooperate with the Intra-City Student Council, which, this year, conducted a "peanuts for polio" drive.

The Lanphier Hi-Y Club, organized with the co-operation of the Y.M.C.A., creates, maintains and extends throughout the home, school, and community, high standards of Christian character.

Any boy is eligible for membership in this club which performs during the school year numerous service projects for the school, the Y. M. C. A., and the community. These projects and activities are planned and executed under the advisorship of Mr. Hoffman. The program committee proposes dinner meetings, speakers, group discussions, parties, and dances.

The Youth and Government program has been a function of the Illinois Area Y.M.C.A. for the past five years. Lanphier Hi-Y has been represented in this activity since its origin. Representatives of Hi-Y and Tri-Hi-Y clubs of the state meet in the state legislature each spring to gain experience and training in making laws.

ART CLUB

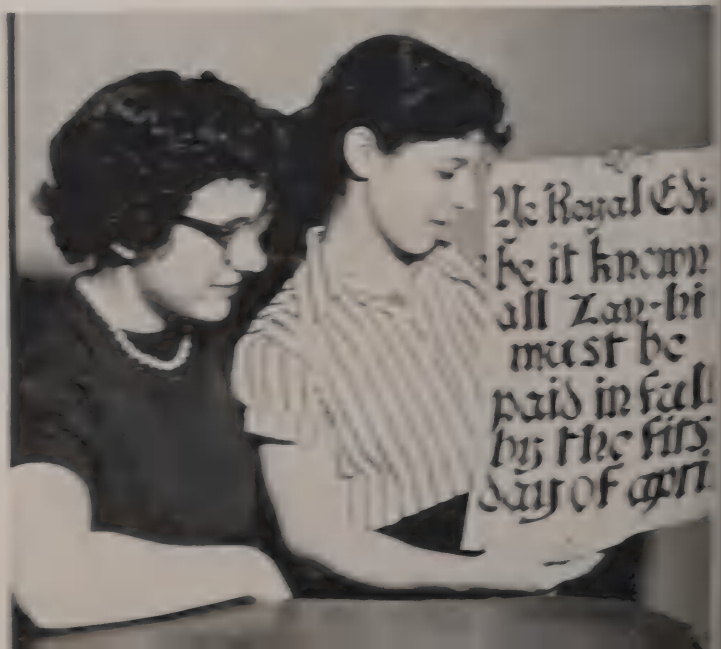

The Art Club, under the leadership of Mr. Briggs, was organized to increase appreciation and expression of art among the students. Any student who desires a better knowledge and understanding of art may seek membership in this club.

Enjoyable programs are presented at the meetings. Sometimes the meetings consist of trips to the local art galleries or places of interest in and around Springfield. Some industrious members assisted in painting the beautifully decorated stage for the Choir's Vesper Service.

KEY CLUB

A member club of an international organization, the Lanphier Key Club has as its purpose "unselfish service to school and community." Through cooperation with school authorities and the Springfield Kiwanis Club, it annually exemplifies this purpose.

Under the guidance of Mr. Charles Petefish and his assisant, Mr. Sam Williams, the club undertakes many worthwhile projects, a few of which were selling school activity calendars, conducting a school clean-up day, sponsoring a Mother and Dad banquet, taking down chairs after assemblies, and giving a Christmas party for needy children.

Y-TEENS

The Y-Teens of Lanphier, a branch of the Y. W. C. A., assists high school girls in growing in high Christian statutes and in tolerance of all races, religions, and nationalities. The only eligibility requirement is that the girls be willing to abide by the high principles of the organization.

The girls, under the advisorship of Miss Parrotte, have helped their school and community by participating in the potato chip sale and the distribution of tuberculosis tags. Their recreational activities include coke parties, various activities at the Y. W. C. A., and, at Christmas time, caroling and the "Hanging of the Greens."

Lanphier, as well as Miss Parrotte, is proud of this group which has been of so much service to the school and the community.

GIRLS' ATHLETIC ASSOCIATION

The purpose of Girls' Athletic Association, more often called G.A.A., is to foster healthful, enjoyable activities and good sportsmanship among Lanphier High girls.

Energy and good attendance are the only requirements for membership in G.A.A. The young lassies gather with their advisor, Miss Jeske, in the gym each Friday after school; if weather permits, they play out of doors. Some of their sports include baseball, kickball, and soccer, and a tennis tournament.

Members combine the pleasure of controlled relaxation with the incentive to win awards. The club offers four emblems as awards—each requiring fifty points. These emblems may be worn only by the girls who earn them.

SCIENCE CLUB

Front Row: Nancy Berry, Vice-President; Faye Berry, Secretary; Loren Dietrich, Treasurer; James Matejka, Publicity Chaiman. *Second Row:* Mr. Dirst, Advisor; Ron Herndon, President.

With the help of Mr. Vanderwater and Mr. Dirst, the members of the Science Club of Lanphier develop a better understanding of and a growing interest in the various fields of science. This year special emphasis has been given to the field of research. At the regular weekly meetings, members take their turns giving scientific research reports, conducting experiments, and reporting on the outcome of experiments for the benefit of the other members. Some of these reports have been on such interesting subjects as radio transmission and reception, the evolution of horses, anthropology, and many others. Other subjects for experimentation and discussion may be added to these whenever an interest is shown in them. Some of the club's projects this year have been an after-game dance, a boys' field trip, a Christmas party, and voluntary attendance at movies and lectures sponsored by the Illinois State Museum.

YOUTH FOR CHRIST

A worthy addition to Lanphier's organization is the Youth for Christ Club. Under the capable guidance of Mr. Chiti the club meets once a week at 7:50 a.m. There are no dues or initiations and attendance is entirely voluntary, for the club's purpose is to supply a spiritual uplift to the students who come to the meetings and to better acquaint them with God, His Word, and His creations. These meetings, planned by the officers with the help of Mr. Chiti, are conducted by a different member each week. Each consists of songs, prayers, scripture verses, and a lesson. This organization not only provides spiritual direction for its members and encourages Christian fellowship with those of a like mind but also helps to promote Christian principles here at Lanphier through witness among the student body. The school has good reason to be proud of this group.

"L" CLUB

The requirements for admission into the "L" Club are one letter in a major sport and maintenance of a 3.5 grade average. The athletes of this club operate concessions at the basketball and football games. The proceeds this year were used to purchase twenty-five football sideline jackets and to secure tickets for the football team to witness a game at the University of Illinois in Champaign.

Advised by Mr. Boyle, the club is a member of the National Athletic Scholarship Society, which each year awards one senior a scholarship.

LANECON

It has been said that the home is the foundation of American life. The purpose of the Future Homemakers of America, better known as Lanecon Club, is to promote these principles: appreciation of and emphasis on the importance of the Christian, democratic home. Under the supervision of Miss Wineman, Mrs. Ingersoll, and Mrs. Seiz, the girls plan programs, hear speakers, sponsor community projects, and enjoy parties and other social activities. Their social calendar has been high-lighted this year by a Mother and Daughter banquet in the fall, Daddy Date Night in the early winter, and a sectional rally in spring.

Ruth Kochman accepts a tribute from two Lanecon initiates, Donna Keppler and Patsy Urbankus.

Front Row: Rita Motley, President; Mary Ruble, Vice-President; Ruth Kochman, Secretary; Carol Jo Gille, Treasurer. *Second Row:* Mrs. Seiz, Miss Wineman, Mrs. Ingersoll, Advisors.

Front Row: P. Lowe, N. Berry, D. Watson, M. Tansky, H. Daily, M. Renshaw, B. Behl.
Second Row: Y. Lansky, M. Cunningham, F. Berry, B. Meyer, S. Jones, S. Edwards.

LIBRARIANS

Yvonne Lansky, student librarian, serves fellow students, Angela Midiri, Phil Pittman, and Judy Hout.

The student librarian staff is composed of girls who voluntarily relinquish their study period in order to assist students in obtaining needed reference material. Their many duties include checking books in and out, placing returned books on the shelves, reminding students to return overdue books, and assisting Mrs. Anderson with any task that may arise. These efficient, courteous student librarians make the school library service available to the students throughout the entire day. The cooperative, friendly attitude which the girls display at all times creates a pleasant atmosphere in which to study.

The assistants not only perform many services for the student body but also derive certain advantages from their work. The knowledge of the numerous duties of a librarian will be invaluable to those who choose this type of work as their future vocation. Those who plan to enter other vocations will profit from this training also, for they will have acquired more efficient and more courteous habits.

A valuable club at Lanphier is the Debate Society, which is ably coached by Miss Mary Ann Morse. Through participation in debates and discussion panels, the members receive important training in logical thinking through inductive and deductive reasoning.

Resolved: "That governmental subsidies should be granted to high school graduates who qualify for additional training" is the timely debate question which members argued with opponents at various Little Nine tournaments throughout the state. The society on all occasions gave creditable representation of the school and the student body.

The Club meetings consist of intra squad debates and discussions. Occasionally guest speakers attend the sessions and offer suggestive information to supplement the material derived from magazines and books. It is obvious that a great deal of time and work must be spent by the debaters on their respective cases.

PSYCHOLOGY CLUB

The Psychology Club is composed of students who are interested in studying the basis of human behavior. The purposes of the club are to stimulate interest in and enlarge the understanding of various fields of psychology, and to provide social opportunities for its members. The club furnishes a meeting place for students who wish to study further and enjoy together a common interest.

The club, having approximately forty members each semester, holds monthly meetings consisting of guest speakers, movies, demonstrations, and social events.

FUTURE NURSES

With the help of Mrs. Coomer, club advisor and school nurse, the Future Nurses' Club interests prospective nurses in personal and community health, encourages them in finding out what nursing requires and offers, and helps them decide wisely about professional or practical nursing as a life-time career. Requirements for membership include good attendance and the promise to be mindful of the high calling of nursing.

Among the activities of the club this year have been tours of both hospitals, a tea at the Governor's mansion, a state rally, and many other events planned by the Women's Auxiliary Medical Society, which sponsors the city-wide clubs.

Front Row: Connie Howell, President; Mary Trystensky, Vice-President; Carol Reynolds, Secretary. *Second Row:* Miss Veta Coomer, Advisor; Janet Mosbacher, Treasurer.

RADIO GUILD

A highly efficient and very entertaining organization is the Radio Guild. Those members interested in the club as a hobby certainly fulfill all their desires through the performance of the interesting scripts and programs which the group presents. Others, who intend to enter the entertainment field, concentrate on becoming familiar with the various signals and voice techniques used in radio work. The members, advised by Miss Ruth Walker, write their own scripts and make broadcasts over local radio stations.

QUILL and SCROLL

The Robert C. Lanphier chapter of Quill and Scroll includes in its membership students who have excelled in the editorial, literary, business, and art departments of the Lan-Hi and Lanphier Light. This year's officers are Wesley Curry, president; Carol Wallace, vice president; Linda Sorrells, secretary; Bob Schwarberg, treasurer.

Front Row: J. Tobin, C. Wallace, S. Gore, L. Sorrells, N. McCullough, C. Cain, J. Hudson. *Second Row:* M. Washington, T. Moske, M. Baity, D. Wheeler, W. Curry, D. Zelle.

DISTRIBUTIVE EDUCATION CLUB

Front Row: Beverly Clem, Vice-President; Marilyn Wallace, Secretary; Bob Huckeby, Treasurer. *Second* Row: Mr. Murphy, Advisor; Joe Santini, President; Louis Dowllar, Reporter.

The D. E. Club represents the ambitious youth here at Lanphier. The purposes of the group are to create in its members interest in retail distribution and selling as a vocation, and to promote proper business standards and ethics. Seniors learn salesmanship, advertising, display, management, and job relations. Also, this organization endeavors to take the place of the club activities its members miss because of their part-time employment. The meetings, usually business and planning sessions, are held twice a month if necessary. Projects and activities of the club this year included a State convention, a dinner, an employer-employee banquet, and a bake sale.

A young organization at Lanphier is the Lathe Dog Club. The group is associated with the Industrial Education Club. The members, students who attend Springfield and Feitshans as well as Lanphier, anticipate careers in industry. The club not only fosters friendly relations among the three schools, but also provides vital vocational guidance. This advantage is promoted primarily by trips through the factories of major industries.

VARSITY CHEERLEADERS

Front Row: Marilyn Stokes, Marilyn Stefanci, Marilyn Schlosser. *Second Row:* Yvonne Lansky, Pat Ramsey.

CHEERLEADERS

Organized to lead the student body in cheering Lanphier's athletic teams, the cheerleaders, through long hours of practice after regular school hours, presented two squads of spirited girls at the many sports events on the school calendar. Much of the success of our athletes resulted from our fine "rooting" section which these girls so capably led.

Encouraged by and injected with the enthusiasm of their new instructor, Miss Linda Pearson, the girls unfalteringly exemplify the importance of school support, good sportsmanship, and fair play.

USHERETTES

Dressed uniformly in dark skirts, white blouses, and white sweaters with the Usherette emblem, the usherettes faithfully serve Lanphier by being on duty at football and basketball games and other social functions of the school. The girls also serve at band concerts and open house. Their main duties consist of taking tickets, ushering people to their seats, and handing out programs. This year the girls were ushers at the City Tournament for which Lanphier was host. Usherettes are chosen for their personal appearance, height, size, dependability and personality.

LAN-HI STAFF

Faced with the problem of bettering the record set by last year's capable staff and of giving the students a book even more enjoyable and interesting, the Lan-Hi staff determinedly undertook this vast responsibility. The invaluable supervision and inspiration of the two advisors, Miss Vivian Najim and Mr. Lester Brooks, enabled the members always to demonstrate their best abilities.

The staff of 28 seniors, screened and selected by the advisors, met each morning at 7:30 and many nights after school to combine efforts on the tremendous task. Although some of the problems seemed insurmountable at the inception of the undertaking, the competent staff workers gradually eliminated all difficulties and resolutely prepared this 1956 Lan-Hi.

LIGHT STAFF

Seniors with a grade average of "B" in English have the opportunity to enroll in the journalism class, which publishes the Lanphier Light. This bi-monthly publication, available to the student body at a minimum cost, acquaints the student with happenings around the school and provides humors bits of information about his friends and associates.

The members of the staff gain vocational experience through writing articles for the paper and interviewing city officials. They also carry out many projects such as presenting candy canes to the students at Christmas and sponsoring the sale of Valentine's Day telegrams.

BAND

The Lanphier 67 piece band, consisting of students ranging from freshman to seniors, performed at many school functions and civic events this year. With the head of the instrumental music department, Mr. Edwin C. Sach, the band appeared at many activities which varied from half-time football performances and music at basketball games to inspiring concerts. Guided by the genial baton of Mr. Sach, "Rock and Roll" found its way into the Lanphier assemblies.

The two fine customary concerts given this year consisted of concert overtures, peppy marches, rhythm and blues, and the latest "swing" which gave Lanphier the modernistic touch. The band also performed at the ground-breaking ceremony of the new Thomas Edison Junior High School and furnished the music at this year's City Tournament.

BAND

In spite of the constant activity of this group, fine performances and appearances are "musts." The band strives consistently to attain the highest possible degree of perfection in technique and interpretation.

While much training in particular problems is given in rehearsal, members of the band are expected to be able to handle individually many of the difficulties of notation and rhythm. Students demonstrating this ability may become members. Students who do not have the knowledge and experience necessary for first band are enrolled in the cub band, there to gain experience and technique in preparation for first band, where they continue to uphold the high standards of this fine organization.

A CAPPELLA CHOIR

The A Cappella Choir, Lanphier's fine musical group of one hundred and ten voices, is one of the most popular and most active organizations in the school. The members, who receive one full credit for the course, are selected from the sophomore, junior, and senior classes following a personal try-out with Miss Esther Duncan, the director of the choir for the past seventeen years.

Following a get-acquainted weiner roast shortly after school begins in the fall, the choir settles down to hard work; but the members retain their friendly spirits throughout their annual program, which includes such performances as the Christmas Vesper Service, the Easter Sunrise Service, a Mid-Winter Concert, and a Spring Concert.

A CAPPELLA CHOIR

Miss Duncan selects from the choir members three ensembles—Boys, Mixed, and Girls—to share appearances before various civic and social organizations which often call for short programs. These three groups, which do all of their practicing before school begins in the morning, are to be commended for their pleasant and cooperative attitude toward these community services.

Being president of the Illinois Music Educators Association, Miss Duncan frequently must travel to many parts of the state. During these absences the choir is directed by her able assistant, Miss Vivian Najim. Miss Najim graduated from Lanphier in 1950 and earned her teacher's degree at Knox College.

The Parent-Teacher Association, better-known as P. T. A., provides the needed contact between school and home for the good of the students. The two groups strive in a co-operative program that both may more fully understand the needs and problems of the student body. This group has done much to promote the interests of the school. Among its worth-while efforts this year were the contribution of financial aid to the band, Lan-Hi, student aid, and scholarship funds, and, at graduation, the presentation of awards to the boy and girl who have brought honor to their school through scholastic accomplishments and service.

JUNIOR VARSITY

Although its record, well under the .500 mark, indicates a poor season, the football team actually enjoyed a very profitable season. What they lacked in size and strength, the Lions made up for in spirit. Flashes of this spirit were evident in the one-sided win over Cathedral, and the tie with a tough Central Conference foe, Jacksonville, on a rain-drenched field.

A more successful season seems definite next year, as the underclassmen gained valuable experience in contests with very tough opponents. Prospective Frosh also help to brighten the outlook of head football coach, Don Anderson, for next year's season and raise his hopes for a winning combination.

WRESTLING

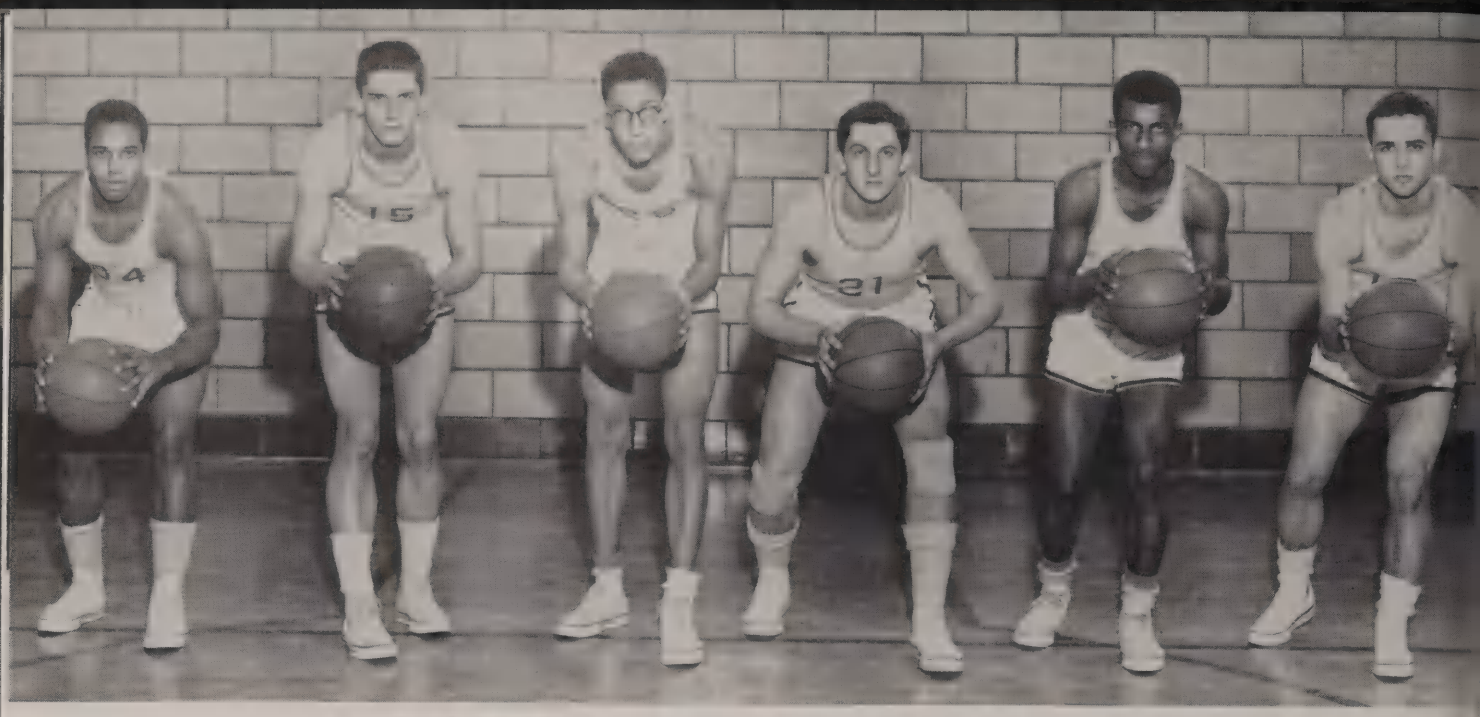

In its second year of contention the wrestling team finished with a fine record of eight wins and nine losses. Grappling such highly ranked teams as Granite City, Quincy, Peoria Woodruff, Pekin, and Jacksonville, the wrestlers have acquired outstanding praise for their action on the mats. In the sectional meet at Granite City this year, Lanphier was third in team standings compared to fourth in 1955. Two matmen gained the honor of wrestling in the state finals at Maywood. One win in these finals gave Lanphier its first team point in state wrestling competition. Mr. Ransford is looking forward to a fine season next year with the return of ten lettermen plus promising juniors, sophomores, and freshmen.

BASKETBALL

COACH
ARLYN LOBER

The 1955-56 basketball season disclosed many pleasant surprises for Coach Arlyn Lober, the team, and Lanphier fans. With a group of inexperienced but high-spirited boys the Lions entered their first game with Athens. The young Lions greatly surprised their followers by leaving the floor conquerors of a good Athens team—61-58. Their first defeat came from Mason City—59-54; but Coach Lober and his team bounced right back and, much to the surprise of everyone, knocked off highly-rated Lincoln—66-57 on the Railsplitters' home court.

BASKETBALL

The Lions then continued their winning ways and prepared themselves for the City Tournament with only two defeats. They entered the tournament as underdogs despite their fine record, and proceeded to surprise all critics by conquering Cathedral, Springfield, and Feitshans and gaining city honors.

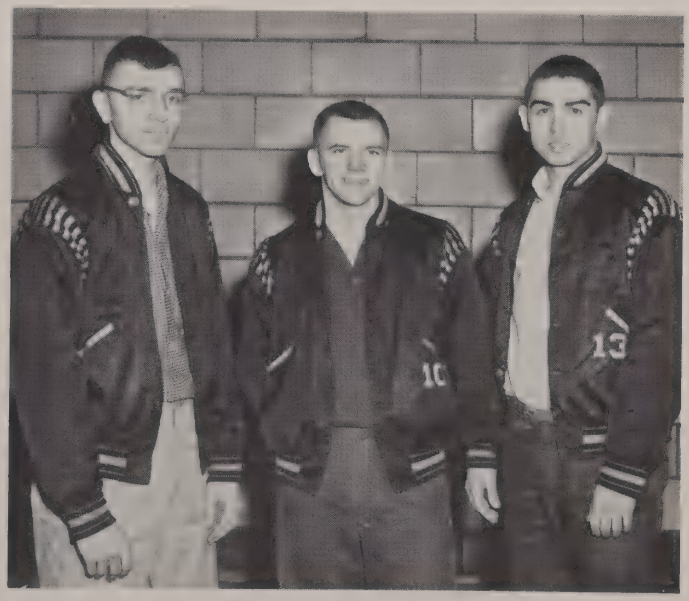

As the months went by, the team finished regular season play and entered the regional tournament again as the underdogs. All out of town foes were eliminated in the first round and the regional tournament resulted in a replay of the City Tournament.

JUNIOR VARSITY

Lanphier showed true form by defeating Springfield—39-20 and Cathedral—71-51 and emerged Regional Champions!

The victorious Lions then journeyed to Jacksonville for the sectional tournament. After defeating Lincoln for the second time, the team, playing superb ball, met and defeated a strong Mason City quintet —64-50. For the first time in the school's history Lanphier entered the Sweet Sixteen. In the newly-organized super-sectional, however, winning ways were brought to a halt by a 52-48 defeat at the hands of the Quincy Blue-Devils.

The Lions' accomplishments this year deserve a mighty cheer, for they reigned city, regional, and sectional champs and gained a berth in the Sweet Sixteen.

VARSITY TRACK

HEAD COACH
ORELL VANDERWATER

The track team this year, under the new supervision of Mr. Vanderwater and Mr. Ransford, is looking forward to a very successful season. To prove this speculation, the track team has already gained top honors in its first three meets—downing such teams as Lakeview of Decatur, Lincoln, Clinton, and Jacksonville. These victories came as a result of hard work and fine coaching.

ASSISTANT COACH
ED RANSFORD

Ron Lovell exhibits his skill as a broad jumper.

Terry "Wilt the Stilt" Ransom clear the high jump bar.

Front Row: W. Atteberry, J. Rogers, V. Matejka, T. Rees. *Second Row:* C. Ray, manager; G. Miller, L. Weed, R. McAllen, W. Sillman, C. Roberts.

CROSS COUNTRY

Along with coaching the varsity track team, Mr. Vanderwater has charge of the cross country track squad. The team is made up of few boys, because of the toughness of the sport. Races vary in length with two miles being the shortest. The course on which they run consists of hills, creeks, fences, and other obstacles. The cross country track squad proved successful in many of its outings.

The freshman-sophomore track team, coached this year by Mr. Ransford, gives boys that cannot be on the varsity team experience to help them become a member of the varsity. They have their own separate track meets to provide this experience.

FRESHMAN-SOPHOMORE TRACK

BASEBALL

From the baseball dugouts of '55 came very few returning lettermen, but the '56 squad looks as if it will have another successful season. Veteran Coach Boyle and his boys started an early spring practice. Good hitting, fielding, and pitching, plus the will to win should put Lanphier at the top in baseball.

The opening game of the season found the Lanphier "9" swamping Mt. Auburn 15-0. Chuck Lehman and his three assistants pitched a no-hit game. A fine start for a fine team.

Homecoming couples take souvenirs from the class tree at the mid-term homecoming dance.

Suddenly Joyce and Jim are Joyce Lea Turnbull and James Neville Rogers as Carol Cain takes their orders for announcements.

"Home for the Holidays," at the Homecoming dance.

"How's the weather up there?" asks Janice Robinson as she measures John Bray for his cap and gown.

"Shoeless Shuffling"

Marilyn Galman, Bill Albright, Lois Nagel, Rita Martin, and Marilyn Green display their notebooks for freshman chorus class.

Top, Left: Put out that Light!
Top, Right: Marilyn Mohr hems her jacket, while Doris Williams hems Louise Butler's skirt.
Middle, Left: Sheila Osborne looks on sadistically as Charles Baker butchers a crayfish.
Middle, Right: "That lipstick on the fountains has to go," say the rulers of the school.
Bottom, Left: Ron Klint and Tom Moske are the top Lan-Hi salesmen.
Bottom, Right: Don't push, there's enough for all!

Top, Left: These girls take shorthand at lightning speed.
Top, Right: Watch those weights, Vic!
Middle, Left: Rodg Philmon, Frank Cellini, and Bob Pittman paint a sign for the City Tournament.
Middle, Right: Girls! That's 500 calories!
Bottom, Left: Is this the polka?
Bottom, Right: How many is that, Hubert?
